

# ANNOUNCING A NEW REWARD PROGRAM!

**I love my regular customers – you *deserve* a reward program, so starting May 15<sup>th</sup>, 2011 here's how it's going to work:**

- For every \$30 you order through me online or in person, you'll receive one point.
- When you have accumulated ten points, I'll give you a free stamp set of YOUR choice!
- There's no time limit ... you can accumulate points from one catalogue year to the next ... or if you place a \$200 + order all at once, you'll also get free Hostess benefits!
- The \$30 is calculated BEFORE shipping and taxes are added in.
- Orders cannot be combined to reach the \$30 mark (for example if you order \$73 you earn two points and the extra amount (\$13 in the example) is forfeited and does NOT carry over to your next purchase.
- NOTE: Stamp Club minimum orders, tape dispensers & 2 sided tape orders, Hostess credits, and any specials I may offer through the year do not earn points. Everything else you order (including purchases of Stampin' Up! promotions) will get you one point for every \$30 you spend!
- It's up to you to keep track of your purchases and points on the chart below. When you have reached TEN POINTS, just fill in your information, send me this sheet and I'll order your free stamp set!
